QUALITY INCIDENT & DEFECT DESCRIPTION

MetroCare Health System Pharmacy received 12 sealed bottles of Amoxicillin Trihydrate Capsules 500 mg (Lot AMX-500-2409) exhibiting severe capsule shell cracking and powder leakage inside primary HDPE bottles. Moisture indicator seals appeared degraded upon opening. Immediate batch quarantine requested.

REQUIRED IMMEDIATE ACTIONS

1. Initiate immediate quarantine of affected batch in warehouse.
2. Issue Quality Incident Notification to QA Complaints Committee.
3. Begin root cause investigation pursuant to cGMP SOP-QA-402.
