QUALITY INCIDENT & DEFECT DESCRIPTION

Apollo Wholesale Distributors reported a mislabeling defect where outer carton labeling specifies Metformin 500 mg while inner blister foil printing reflects Metformin HCl 1000 mg USP Grade (Lot MET-ER-2503). Potential patient safety risk due to dosing confusion.

REQUIRED IMMEDIATE ACTIONS

1. Initiate immediate quarantine of affected batch in warehouse.
2. Issue Quality Incident Notification to QA Complaints Committee.
3. Begin root cause investigation pursuant to cGMP SOP-QA-402.
